

National Response Framework (NRF)

Objectives:

Introducing participants to the concepts and principles of the National Response Framework (NRF), IS-800 discusses how the NRF provides context for how the whole community works together and how response efforts relate to other parts of national preparedness. It is one of the five documents in a suite of National Planning Frameworks.

Target Audience

Government executives, private-sector and nongovernmental organization (NGO) leaders, and emergency management practitioners. This includes senior elected and appointed leaders.

Training Topic

- *Purpose of the National Response Framework.*
- *Response doctrine established by the National Response Framework.*
- *Roles and responsibilities of entities as specified in the National Response Framework.*
- *Actions that support national response.*
- *Response organizations used for multiagency coordination.*
- *How planning relates to national preparedness*
